

Declaration of Resolve
Rev. Keiichiro Narii, President of Su no Hikari Church
Ceremony for Approval of Executive Directors and Directors of the Board &
Ceremony for Presentation of Authorization of President
Atami Sacred Grounds, Japan
September 30, 2019

Kyoshu-sama, with Sekai Kyusei Kyo Su no Hikari Church's establishment of a new organizational structure, today, we receive your presence for the Ceremony for Approval of Executive Directors and Directors of the Board & Ceremony for Presentation of Authorization of President. For this, we sincerely thank you.

For the approval of the executive directors and directors of the board and for the authorization of the new president and two new vice presidents we received from you just now, we thank you, once again, with our deepest gratitude.

I would like to declare my resolve to you, representing the newly born leadership of Su no Hikari Church, established by your approval and authorization.

I have deeply etched into my mind that I have received the official appointment of president by your approval and authorization – truly sanctified and grave acts within Su no Hikari Church.

And together with Rev. Nakadomari (President of Sekai Kyusei Kyo) who bears witness today, and all of those in the new leadership who received your approval today, regardless of what circumstances we may find ourselves in, I will wholeheartedly go forward, always one heart with you, Kyoshu-sama, seeking the spirit with which Meishu-sama founded World Church of Messiah.

We, all of us in the new leadership, pledge to etch into our hearts the spirit of "Sacred Oath" of *Sekai Kyusei Kyo Su no Hikari Church Church Rules*, and, in the name of Messiah, which is one with Meishu-sama, serve single-mindedly with the guidance of Kyoshu-sama as the sole, absolute, and irreplaceable authority, without exception, in the advancement of our mission.

Kyoshu-sama, from here on too, by all means, please guide us over everything.
Thank you very much for today.

Mayumi-okusama and Masaaki-sama, successor of Kyoshu-sama, thank you for your presence. We ask for your continued support.

Thank you very much.
