

## Kyoshu-sama's Message

### “To Members All Around the World”

June 15, 2021

On June 15, 1931, Meishu-sama climbed Mt. Nokogiri accompanied by 28 of his disciples and received the divine revelation of the Transition from Night to Day.

Today marks its ninetieth anniversary.

What a special day today is.

Congratulations everyone!

In one of his Sacred Word, Meishu-sama taught us the following:

Religions until today teach that you have to make painstaking efforts in order to remove all your sins. They say that even though you may try all your life, it is difficult to remove them completely. But let me say that from now on, you can remove all of your sins quite easily through Kannon. Why do I say this? Because the great light has already appeared; sins can be removed through this light. Sins will disappear immediately and easily once the great light illuminates them.

Meishu-sama is saying that the light that appeared through the Transition from Night to Day is the light that removes all sins, that is, the light of forgiveness.

As all of you know, the true face of Kannon is Messiah, isn't it? So, the light that appeared through the Transition from Night to Day is the light of forgiveness of the Messiah.

Forgiveness and atonement are one—they are inseparable.

In regard to Jesus, Meishu-sama said: “Jesus was born into the world in order to atone for the sins of all humanity and save all humanity.” “Jesus is the Lord of Atonement. He represents the sins of humanity. On behalf of humanity, he begs forgiveness from God.” “Everyone knows that the one who atoned for the sins of all humanity is Jesus Christ.”

Meishu-sama accepted the atonement of sins by Jesus.

He accepted the forgiveness and atonement that exist in the name of Messiah.

And it was this Meishu-sama who, eventually, was born anew as the child of God, the Messiah.

Today, on this day of the ninetieth anniversary of the Transition from Night to Day, let us, too, accept and receive the forgiveness and atonement that exist in the name of Messiah. Let us be made into ones who are sinless in the eyes of God, attain the right to get closer to God and walk the path of being born anew as God's children, as Messiahs.

Today, together, let us receive the forgiveness and atonement that exist in the name of Messiah!

Hoje, juntos, vamos receber o perdão e a expiação que existem no nome Messias!

Thank you very much.

Muito obrigado.
